Would you require lodging while at convention?    Yes                      No

Thank you for your interest in helping at the 2020 Wyoming State FFA Convention. This application process allows state staff to better plan for, and fill, staffing needs at convention and to make better use of the many talents of our volunteers.

Wherever possible, we will match your interests, skills and schedule with our staffing needs.

- Convention internships are open only to college students or older. You **do not** need to have been a past state FFA officer to apply.
- This is an unpaid internship (except of our undying love and devotion.) You will be responsible for your own travel and miscellaneous costs. Lodging may be provided by the Association on an as needed basis. Any lodging provided and rooming assignments will be at the discretion of the State FFA advisor. Whenever possible, lunch and/or dinner will be provided while you are working.
- If selected as an intern, you will be provided with two shirts you will be **required** to wear while you are serving as an intern. You should dress in business casual/professional attire while you are working, i.e. khakis or dress pants and closed-toe shoes.
- If you are selected as a convention intern, Mrs. Broda will submit a letter requesting an excused absence for you from school. It is your responsibility to discuss your absence with your professors and make up any missed work.
- Interns will be chosen based on their suitability for the job, experience, leadership skills, teamwork, personality, attitude and cooperative spirit.

**Please submit your application to Mrs. Broda at [sbroda@yahoo.com](mailto:sbroda@yahoo.com). Applications are due to Mrs. Broda by Feb. 25, 2020. Interns will be selected and notified by March 9, 2020.**
